Trivia

- **Meluhha** was a name the Sumerians used to refer the **Indus Valley Civilisation**.
- This region is intended to draw from Hindu and eastern Persian traditions, as well as their predecessors and the current Indian culture. Feel free to expand the article if you want to invent some lore based on these assumptions. As for geography, it is bordered by mountains and Korath from the north and northwest, and the Sea of the Hourglass from the south.
